

## Projet chorale « Music in Hollywood »

### Avec Solistes et Chœur

**Projet musical : « Reality » (1980) interprété par Richard Sanderson (1953 - ) extrait du film « La Boom », sorti en 1980. (Réalisation Claude PINOTEAU)**

#### Couplet 1 : Soliste

Met you by surprise,  
I didn't realize  
That my life would change forever  
Saw you standing there,  
I didn't know I cared  
There was something special in the air

Tell me that it's true,  
Feelings that are true  
I feel something special about you

#### Refrain : Choeurs

Dreams are my reality,  
A wondrous world where I like to be  
Illusions are a common thing  
I try to live in dreams  
Although it's only fantasy

#### Refrain : Choeurs

Dreams are my reality,  
The only kind of real fantasy  
Illusions are a common thing  
I try to live in dreams  
It seems as if it's meant to be  
Dreams are my reality,  
A different kind of reality  
I dream of loving in the night  
And loving seems alright  
Although it's only fantasy

Dreams are my reality,  
I like to dream of you close to me  
I dream of loving in the night  
And loving you seems right  
Perhaps that's my reality

#### Couplet 2 : Soliste

If you do exist,  
Honey don't resist  
Show me a new way of loving  
Tell me that it's true,  
Show me what to do  
I feel something special about you

#### Refrain : Choeurs

Dreams are my reality,  
The only kind of reality  
May be my foolishness has past  
And may be now at last  
I'll see how a real thing can be  
Dreams are my reality,  
A wondrous world where I like to be  
I dream of holding you all night  
And holding you seems right  
Perhaps that's my reality

#### Pont instrumental

#### Couplet 1 (Bis) : Soliste

Met you by surprise,  
I didn't realize  
That my life would change forever
